## 4. DESCRIPTION OF THE TASK

Your Computer Systems colleagues have exposed that they have some serious issues understanding the concepts of users, groups and permissions in Linux operating systems. As you fully understand those concepts because you are killing it at computer systems, you've decided to record a video explaining those concepts to help your lost colleagues.

To do so, you will record yourself for 2 minutes in video explaining:

- Users
- Groups
- Permissions

## 5. HELP

You can inspire yourself in these videos:
